

School Accident / Injury Policy

Introduction:

This policy was drafted in November 2022 as a response to newly enacted Health & Safety legislation. This policy applies to all users of the school premises and all school related activities. A separate contract has been devised covering external agencies using the school premises outside of school hours.

Rationale:

The formulation of this policy enables our school to effectively;

- Provide for the immediate needs and requirements of students who have sustained either a serious or a minor injury
- Ensure that adequate resources and arrangements are in place to deal with injuries/accidents as they arise
- Ensure lines of communication with parents/guardians are in place if required
- Activate a known plan of action with which all staff are familiar

Roles and Responsibilities:

The overall responsibility for the day to day management of school supervision /routines rests with the Principal. The class teacher is responsible for classroom supervision and teachers / SNA's on yard duty are directly responsible for the supervision of pupils at break time. The schools Health and Safety Officer is Tess Hughes. The First Aid Officer is Tess Hughes. Fire Drill coordinator is Tess Hughes.

School Ethos:

This policy re-enforces the elements of the school mission statement which advocates providing a safe and secure learning environment for each child and ensuring a duty of care at all times when the school is in operation.

Aims/Objectives:

- To ensure the physical safety and well being of all staff and pupils
- To develop a framework of procedures whereby all injuries are dealt with in a competent and safe manner

- To provide training for staff with the effective use of outside expertise so that children have access to proper interventions
- To comply with all legislation relating to safety and welfare at work

Procedures:

Safety of pupils and staff is a priority for the Board of Management, and robust measures have been put in place to ensure no children or staffs are put at risk;

- A comprehensive school Safety Statement has been recently revised whereby all hazards are identified and remedial measures are outlined
- The school is insured under Alliance and a 24 hour policy, underwritten by Alliance Insurances is in place for all children
- The provision of specialist first aid training for staff has been identified as a priority by Board of Management and been provided.
- Each teacher / SNA regularly instructs pupils on issues relating to safety in the class/yard. Dangerous practices such as climbing trees, climbing goalposts, throwing stones, running fast in the Infant areas, engaging in “horseplay”, fighting etc. are subject to severe sanctions (see School Anti-Bullying and Discipline Policies)
- Certain procedures are in place in the event of accidents

Minor Accident/Injury

The injured party is initially looked after by the SNA on yard duty. If deemed necessary, the child will be taken to the ‘FIRST AID STATION (See school map). No medicines are administered but cuts are cleaned with anti-septic wipes and bandages/plasters applied if deemed appropriate. The use of plastic gloves is advised at all times. Parents are notified as a matter of protocol.

More Serious Accidents/Injuries

If considered safe to do so, the injured party is taken to the office. Parents/guardians are immediately informed, particularly if there is a suspicion of broken bones/head or eye injuries. The child is kept under intense observation until parents /guardians arrive, with the emphasis on making the child as comfortable and as settled as possible.

Very Serious Injuries

In the event of a very serious injury, parents/guardians are immediately contacted. If the considered opinion of the staff is that immediate professional help is required, an ambulance is called. On rare occasions the staff may agree that taking the child to Accident & Emergency in a private car is a more prudent option particularly in the case of rapid blood loss. Parents are kept informed of developing situations.

Categories of Injury/School Procedures

Minor Cuts and Bruises

Method:

- Clean around cuts using antiseptic wipe/cloth, cleaning from the centre outwards
- Gloves are used at all times to reduce risk of spread of infection
- A check is carried out to locate small bodies which may be embedded in the wound
- Plaster, gauze or lint is placed on the wound
- Teacher/SNA observation is maintained
- Children bring notes on first-aid administered home to show/tell parents
- In sports, helmets must be worn

Sprains/Bruises

Method:

- In the event of a sprain / bruise, the process of rest, ice, compress and elevate is implemented
- If in doubt, parent/s are contacted
- Teacher / SNA observation is maintained

Faints and Shocks

- Lie the casualty down
- Raise the legs above the level of the heart
- Loosen any tight clothing
- Ensure there is fresh air
- Keep crowds away

- Reassure casualty when they recover
- Contact parents
- The event is subsequently recorded in the Accident Book

Severe Bleeding

- Act instantly – Go, Go, Go!
- Set or lie the injured party down
- Press down on wound using gloves
- Lift (if possible) the injured part above the level of the heart
- Put a clean dressing over the wound and secure it firmly with a bandage
- If blood shows through the dressing then place another one over the first and bandage firmly
- Treat for shock
- Contact parents immediately
- If very serious contact casualty immediately
- Record in accident book

Burns/Scalds

- Immediately remove child from danger area
- Cool burnt area with cold running water
- Remove rings etc. and other tight fitting accessories
- Do not remove objects stuck to skin
- In the event of a minor burn use a special burn gauze / burneze

Unconsciousness

- Ring for medical help
- Place child in recovery position
- Ring for parents
- Check for broken bones, neck or back injury
- If subject is not breathing, artificial respiration is applied
- Other children are kept away

Stings/Bites

- parent/s are contacted to confirm if pupil can self-administer spray

The First Aid Policy is based on collective teacher / SNA input. The teacher /SNA on yard duty is automatically assisted by others in the case of a serious injury.

Resources:

Four first aid station / resource boxes are located in strategic areas of the school. All staff are aware of these locations. The contents of such boxes are replenished when deemed necessary by the Health and Safety Officer.

First-aid protocols

1. **SNA responsibility: Recorded in first-aid diary**
2. **SNA responsibility: Note written and given to the class teacher- be especially vigilant if there is a sub**
3. **Class teacher responsibility to ensure he/she observe possible injury throughout the day and that note does actually placed in diary**
4. **Any head injury of any kind must go straight to the office and parent contacted directly.**

Record Keeping:

All accidents/injuries are recorded in the Accident Report Book which is located in the School office and the first-aid stations. One Accident Report Book for serious accidents covers all children in the school. Teachers / SNA's are encouraged to keep a separate copy of accident report forms relating to injuries sustained by children in their class. The accident report form lists date and time of accident, witnesses, nature of injuries, a brief description of the circumstance of the accident, procedures followed by staff etc.

Very serious injuries will be notified to the schools insurers - Special Incident Report Form. Relevant medical information on all pupils is obtained at time of admissions. This section asks parents to list allergies and other medical conditions their child may have.

Evaluation:

The success of this policy is measured from set criteria;

- Maintaining a relatively accident free school environment
- Positive feedback from staff, parents, children
- Continual yard observation of behaviour by all staff engaged in supervision duties
- Monitoring and evaluation at staff meetings

Ratification:

This policy formed part of our school policy on Health and Safety Statement, last reviewed on 8th December 20220.

The Board has now extended and ratified a specific policy in relation to School Accident / Injury Policy.

Ratification:

This policy was ratified by the Board of Management on December 6th 2022.

This policy was reviewed by the BOM on 8th November 2023.
